Dear Valued Community Member:

Pike Industries, Inc. is proud to support local groups and non-profit organizations with in-kind product donations and other means of promotional support. If your group is interested in having Pike Industries as a donation partner, we ask that you review the information on this webpage before submitting a request.

### **Who We Donate To**

In order to best serve our community, we partner only with local groups and organizations based in our surrounding neighborhoods in New Hampshire, Vermont, and Maine. We believe that our resources will make a larger impact on a smaller, local scale.

We prioritize requests from organizations to which we have strong community ties, including education and programs for children.

We do not donate to individuals seeking pledges, from large national non-profits or political parties.

### **How To Submit A Request**

- 1) Complete the request form, along with a W-9 tax ID form
- 2) At least 30 days prior to your event, email the request to [info@pikeindustries.com](mailto:info@pikeindustries.com)
- 3) Your request will be reviewed by our Donations Committee and you will receive a response within two weeks

If you have any questions, please contact 603-527-5100

Thank you.
