## Award Category (Check one)

**Operational Excellence Award**

Celebrating those who drive improvements in safety, quality, sustainability, and efficiency through innovative solutions or enhancements to existing processes.

**People Award**

Honoring employees who provide mentorship, coaching, and embody a commitment to safety, particularly for new team members, setting the standard for leadership within the organization.

**Customer Service Award**

Acknowledging those who consistently deliver outstanding customer service with professionalism, courtesy, and a focus on safety, making a lasting impact on both internal and external customers.
